

## OBJECTIVES

*After completing this part, you will understand the following:*

- ⚠ Know which tests need to be passed in order to qualify as a DfT ADI (Car)
- ⚠ Know what requirements are for each of the tests:
  - ⬆ Part 1 Theory
  - ⬆ Part 2 Driving Technique
  - ⬆ Part 3 Ability to Instruct

### Chain of Command & the 3 Tests

## OVERVIEW

### BASIC DVSA INFORMATION

**‘Guide to the Approved Driving Instructor (ADI Register)’** is the title of a guide which you can access on the reference link on the next page.

During Section four, where we deal with publications, you will have the opportunity to study the guide in much greater depth. By all means take the opportunity now to read through it, but during this part of the course, it is more appropriate to concentrate on the basic requirements, i.e. what you need to do to pass the tests, and in what form the tests take.
